

# OPEN CLASS STATIC JUDGING SHEET

# Western Scale Invitational

Reg# \_\_\_\_\_

NAME: \_\_\_\_\_ AIRCRAFT: \_\_\_\_\_ Class: \_\_\_\_\_ Scale: \_\_\_\_\_

This form is intended to accomplish the following goals:

- a) Promote scoring consistency among a wide assortment of duplicated aircraft in the Open Class
- b) Encourage the Open Class contestant to research and provide documentation for the model. The contestant is encouraged to modify the model to more closely match the documentation. This will help to advance his/her Scale modeling skills.

In scoring each box proceed as follows: NOTE: If no documentation is provided, score all boxes as zero.

1. Accuracy of Outline:  
Outline will be based on 3 to 5 views that have been published or approved.
2. Color & Markings  
Documentation for color and markings requires published drawings, color chips or photographs and/or artist's renditions.
3. Craftsmanship  
Craftsmanship will be judged on the accuracy and quality of construction and the extent of detail added to the model.
